

# Science City November Bulletin

## Refer-a-Friend Membership Campaign

Canada South Science City is introducing a new membership campaign between now and January 5th, 2008 just in time for your Christmas gift giving. If you are a current member, you can buy a membership as a Christmas gift for friends or family at a discounted rate of \$50.00 for the entire family. The perfect

stocking stuffer that allows the recipients to take advantage of one full year of free visitation to Canada South Science City. Our membership package also covers free admission to all members of the Canadian Association of Science Centres across Canada including the Ontario Science Centre and Science North. This is truly the gift that gives back all year and will save families money now, throughout the summer and during traveling holidays. If you are an expired or new member, purchase your family membership for \$75.00 and as many gift memberships as you would like to give for \$50.00 each. Give two gifts in one, support Canada South Science City and give the gift of on-going, educational family, fun!

## Your Special Invitation To a Free Public Lecture

Wednesday, January 16th, 2008 at 7:00 pm, Canada South Science City will be hosting a free evening lecture in partnership with the University of Windsor and the Youth Science and Technology Outreach Program (YSTOP).

Dr. Maria Cioppa Professor in the Department of Earth and Environmental Sciences at the University of Windsor, will speak about the ups and downs of the Earth's Magnetic Field: Causes and Effects. The lecture is free and usually lasts about one hour. See you there!
